UNDERSTANDING THE DATASET:

Here, the loaded dataset is understood in order to prepare and explore the dataset.

The screenshot displays the IBM Cognos Analytics interface. On the left, the 'Data module' pane shows a search bar and a list of items: 'New data module', 'Navigation paths', and 'employee_s...y_data.csv' (which is selected and highlighted with a blue border). The main area shows a 'Grid' view of the dataset. The table has five columns: 'Row Id', 'EmployeeID', 'Environment...tisfaction', 'JobSatisfaction', and 'WorkLifeBalance'. There are 14 rows of data. The interface includes a top navigation bar with 'IBM Cognos Analytics with Watson', a 'New data module' dropdown, a search bar, and user profile icons. A 'Properties' button is visible in the top right corner of the main area.
